Dear Prof. Bolla,

I wish to inform you that ETSI TC-EE has approved the New Work Item for an ETSI Standard on the "Green Abstraction Layer".

The reference of this Work Item is EE

DES/EE-0030 "Green Abstraction Layer (GAL) power management capabilities of the future energy telecommunication fixed network nodes"

The key milestones of this WI are the following:

- Early draft by 2013-03-30
- Stable draft by 2013-06-27
- Final draft for approval by 2013-09-30

You can find further details on this Work Item at the following link:

[http://webapp.etsi.org/WorkProgram/Report\\_WorkItem.asp?WKI\\_ID=41187](http://webapp.etsi.org/WorkProgram/Report_WorkItem.asp?WKI_ID=41187)

The goal is to achieve the publication of the ES on "GAL" by end of 2013

Best regards

Beniamino Gorini  
(ETSI TC-EE chairman)
